

Week 1: June 29 – July 3 Little Chef

Lots of fun with food! There will be blindfolded food tasting, mystery food games, and fun food art! Children will do daily cooking projects, learn about how to eat healthy, the importance of good nutrition and learn how to set a table. It's going to be a fun 'jam' packed week!

Week 2: July 6 - July 10 Science week

Come and let your children enjoy the exciting experiments that will intrigue their curiosity, and open their eyes to the mind-blowing power of science! They will create "indoor rain" building a "soda geyser", and even make "raisins dance"! They will craft a "lava lamp", and "a tornado in a bottle" all while learning the fundamentals of studying our world, with science!

Week 3: July 12 - July 17 Petite Artiste

Join us for a week of fun filled artistic experiences. Activities will include creating unique artwork using various traditional art mediums as feathers, marbles, pipe cleaners, recyclable materials and of course their favourite splatter painting

Week 4: July 20 - July 24 Dinosaur Discovery

Become a paleontologist and discover the wonderful world of dinosaurs! We'll dig our way back through time to learn about these ancient animals, explore theories about their extinction, and meet some of their modern-day relatives.

Week 5: July 27 - July 31 Under the Sea

This week we'll explore the amazing ocean world! Mermaids, shells, fish, whales and did we mention SHARKS abound as we explore life under the sea through nature and craft projects, storytelling, skits, and friendly competitions. Of course, no Under the Sea week would be complete without some wet, wild, and wacky water games as we'll find plenty of ways to beat the summer heat.

Week 6: August 3 - August 7 Reptile Week

How do reptiles camouflage? Why do some have bright colours? Why and how do chameleons change colours? What is a "morph?" Campers will learn all about the bright and beautiful world of reptiles and amphibians with this colourful week long experience. Educational fun hands on presentation by the reptile guy.
